ISBN 9781420236538 Publisher Macmillan Product Type Student Books, Year Level Year 4, Author(s) Helen Pearson and Janelle Ho Help other Teacher Superstore users buy smarter writing reviews for products you've purchased. Write a Product Review In Stock Safe and Secure Shopping Free delivery on all UK orders over £30 Schofield & Sims Spelling is a structured and rigorous programme designed for Stages 1 and 2 and also suitable for some older students. Consisting of six student books and a teacher's guide book and a teacher resource book, this comprehensive series is based on students' phonic knowledge, while helping them understand how the structure and meaning of words can help them spell words. Each orthographic student book: Systematically introduces spelling conventions and reviews those already taught explores the structure of words and the relationship between words of shared origin suggests strategies for remembering common exception words (also known as complicated words) teaches students to monitor and correct their own spelling encourages students to write memory or dictation phrases that contain answers to all questions at the bottom of the book. Orthographic Book 5 supports national curriculum requirements for the 5th year and covers the following topic areas: use more prefixes and suffixes and apply rules for adding suffixes; orthographic words with silent letters; using knowledge of the structure of words and the origins of words; learn to spell difficult words (e.g., words with unsupported vowels, words with the string letter 'ough'); learn guidelines for word endings (e.g., 'ary', 'ory', 'ery', 'ion', 'cian', 'cious', 'cial', 'tious', 'tial', 'able', 'ible); distinction between homophones and other words that are commonly confused. A separate follow-up teacher's guide, Teacher's Guide to (ISBN 9780721712185), provides detailed teaching notes that suggest how best to explain and explore each learning point and a separate teacher resource book, Spelling Teacher's Resource Book (ISBN 9780721712192), contains photocopying masters that support teaching, evaluation and A selection of free downloads is also available on the Schofield & Sims website. Dimensions: 21 x 0.3 x 29.7 cm Doris Dwamena I have four children; years 8, 6, 5 and 1. They've been using this series for a long time. It is very useful and easy to use. Children can work without support. Thank you Schofield and Sims. Yes, I will recommend this book to parents and teachers. JavaScript appears to be disabled in your browser.
